Dear Dennis:

Chris Korleski and I are available to meet with you on Wednesday, April 18, from 10:30 -12:00. We would be in listening mode. Please let me know if you want to meet at that time, or instead want to defer a meeting till the week of April 30 or May 7.

Thank you.

**Subject:** Possible Polymet Meeting

Dear Dennis:

I got your voicemail message, and will ask folks here about a possible meeting and about schedules. I know that the morning of the 17<sup>th</sup> will not work—Chris Korleski and I have a meeting with Ohio industry all morning-- but I will see about the afternoon of the 17<sup>th</sup> or morning of the 18<sup>th</sup>. Those times work for me, but I need to see about others. The weeks of April 30 and May 7 are less jam-packed, in which case that might be better for all. I will get back to you.

I will see you for at least part of the time on the 16<sup>th</sup> for the other meeting.
